# JUAN JOSÉ RUIZ RUIZ

PROFILE

24 years old. My work philosophy is based on four things: Efficiency, Adaptability, Effort and Humility. I will give all I have and more for doing my job the best way it can be done, learning from my coworkers and assisting when necessary.

EXPERIENCE

2018

EVENT PLANNER
Egared | July 2018 - October 2018
I was one of the organisers of a video game event in the city of Cabra. was in charge of recruiting companies for the event, getting the necessary equipment and installing it at the venue, and organising and supporting various types of activities. This event reached 500 attendees.

2018
2021

GAME DEVELOPER
A Blessed Turtle | September 2018 - February 2021
I did different type of jobs here: Unity Gameplay Programmer, 3D Artist, 3D Animator, UE4 Technical Artist, Game Designer, have been adapting to the needs of the team, learning each discipline in my free time.

2022

BARTENDER
CityWest Hotel | March 2022 - July 2022
Bartender in CityWest Hotel. Going to be promoted to team leader next week. I also got experience as a barista working here, giving support to the team in any position required. Here I worked in big events where we attended thousands of people.

EDUCATION

NETWORKS AND MICROCOMPUTER SYSTEMS (VET)
IES Marqués de Comares | 2014 - 2016

B2 ENGLISH CAMBRIDGE
Results Language School | 2016 - 2017

MASTER GAME DESIGN AND DEVELOPMENT
EVAD | 2020 - 2021

SKILLS

PROGRAMMING
C#, can learn other languages in a short time. Advanced knowledge in Unity and Unreal Engine 4 game engines.

GRAPHIC DESIGN
Medium level of Adobe Photoshop, Illustrator and Premiere. Advanced level of Blender for 3D modelling and animation.

SOCIAL SKILLS
Great experience serving people in different jobs. Empathy and patience needed to find the best way forward in each situation.

WHAT AM I LEARNING NOW?
I am currently doing the Full Stack Developer Code Institute course. With that, I will shortly adquire proficiency with HTML, CSS, Javascript, Python and SQL.
